Wisconsin Elections Commissioners

Meagan Wolfe

Dear Respondents and Counsel:

This communication is to inform you that the verified complaint filed by Jay Stone against you was dismissed by the Wisconsin Elections Commission (“Commission”) at its April 20, 2022, meeting.

The Commission passed the following motions in closed session by 5-1 votes:

The Wisconsin Elections Commission finds that the complaint of Jay Stone against various individuals, in Stone v. Barrett et al. (EL 21-40), does not present reasonable suspicion that a violation of Wis. Stats. §§ 5.68(1) and (2) or 12.09 occurred, and the matter is hereby dismissed. Additionally, the Commission orders that all future Wis. Stats. §§ 5.05 and 5.06 complaints relating to the acceptance and use of 2020 CTCL election grant funds shall be considered untimely, barred by laches and issue preclusion, or otherwise nonjusticiable under those statutes. This order does not foreclose consideration of similar, future CTCL grant fund complaints under Wis. Stats. §§ 5.05 and 5.06, if CTCL grant funds are newly distributed during future election cycles. All pending complaints solely alleging that acceptance and use of 2020 CTCL grant funds constituted a violation of Wis. Stat. Chapters 5-10 and 12 shall be dismissed, and complaints raising such allegations along with others shall have the CTCL-specific grant fund allegations dismissed without foreclosing the entirety of the complaint.

and

Commission staff are directed to place the decisions in the three Stone complaints on the Complaints page of the Wisconsin Elections Commission website and provide a copy of those motions to the parties in the pending CTCL complaints filed with the Commission.

If you have questions regarding the dismissal of this complaint, please feel free to contact me.

Sincerely,

Jim Witecha
