MEMORANDUM

DATE: For the January 11, 2019, Commission Meeting

TO: Members, Wisconsin Elections Commission

FROM: Meagan Wolfe
Interim Administrator, Wisconsin Elections Commission

Prepared and Presented by:
Diane Lowe, Lead Elections Specialist

SUBJECT: Ballot Access for the 2019 Spring Election

This memorandum presents a summary of important and noteworthy information about candidates requesting ballot access for the 2019 Spring Election.

Summary

The nomination paper filing deadline for the 2019 Spring Election for the offices of Justice of the Supreme Court, Court of Appeals Judge in Districts II, III and IV and Circuit Court Judge in various counties was 5:00 p.m., on Wednesday, January 2, 2019. The circulation period for nomination papers began on December 1, 2018.

A total of 39 candidates for state offices registered for the Spring Election, all of whom filed nomination papers with the Wisconsin Elections Commission. There are two candidates for the office of Justice of the Supreme Court, one candidate for each of the three Court of Appeals Judge seats, and 34 candidates for 29 circuit court judge positions in 16 counties.

The first two sets of nomination papers were filed on December 10, 2018, and five sets of papers were filed on deadline day.

Date Submitted	Sets of Papers Filed
Week of December 10-14	4
Week of December 17-21	11
Week of December 24-28 (3 working days)	19
January 2, 2019	5
	39 Total

Based upon the review and recommendations of the Commission staff, only four offices including Justice of the Supreme Court are contested. The office of Ozaukee County Circuit Court Judge, Branch 2, with four candidates, is the only state office that will have a primary on February 19, 2019. Local

municipalities and school districts may have primaries for local office or have referenda questions on the ballot, so while there is no statewide primary, there will be elections occurring on February 19, 2019 in parts of the state.

Notifications of Noncandidacy

The Notification of Noncandidacy may be filed by an incumbent who is not seeking re-election to the office he or she currently holds. If an incumbent fails to timely file the Notification of Noncandidacy by the second Friday before the filing deadline and does not file ballot access documents by the filing deadline, the filing deadline is extended 72 hours for any other candidate for that office. The extension does not apply to the incumbent. Wis. Stat. §8.10(2)(a).

Staff reached out to incumbents to ensure that all who did not plan to stand for re-election filed a Notification of Noncandidacy by the deadline of Friday, December 21, 2018, so that the ballot certification and preparation process was not delayed. Two incumbent Circuit Court Judges and the incumbent for Justice of the Supreme Court timely filed the Notifications of Noncandidacy (see Attachment A).

Extension of Filing Deadline

The incumbent for Ozaukee County Circuit Court Judge, Branch 2 did not timely file a notification of noncandidacy and did not file nomination papers, resulting in a 72-hour extension for that office. Due to the filing deadline being on Wednesday rather than Tuesday due to the New Year's holiday, the 72-hour extension deadline fell on Saturday, January 5th. Although the deadline for submission of nomination papers was extended to close of business on Monday, January 7th, no signatures could be dated after January 5th. No additional candidates filed during the extension period. The deadline for challenges to nomination papers for this office is Thursday, January 10th. The recommended motion below assumes that no challenges will be filed. If any challenges are filed, the response deadline will be Monday, January 14th, and the Commission would need to delay certification of any challenged candidate for this office.

Nomination Paper Review Process

Staff uses internal nomination paper review standards based on the requirements set forth in Wis. Stat. §§ 8.10 and 8.30 and Wis. Admin. Code Ch. EL 2 to determine if a candidate has filed a sufficient number of signatures to qualify for ballot access. Attached to this memorandum are the internal nomination paper review standards (Attachment C) and the relevant statutory and administrative code provisions (Attachment D) used by staff when reviewing papers. Staff also relies on past decisions of the predecessor agencies when making recommendations to the Commission as to whether an error on a nomination paper is grounds for striking a signature or page of signatures. This body of precedent comes from Findings of Fact and Orders issued as a result of a challenge to nomination papers, or a compliance review complaint filed under Wis. Stat. § 5.06.

Number of Nomination Paper Signatures Required

- Candidates for Justice of the Supreme Court must file a minimum of **2,000** valid signatures of qualified electors of Wisconsin to qualify for ballot access. Wis. Stat. § 8.10 (3)(a).
- Candidates for Court of Appeals Judge must file a minimum of **1,000** valid signatures of qualified electors from the district to qualify for ballot access. Wis. Stat. § 8.10 (3)(am).

- Candidates for circuit court in counties over 500,000 in population (Milwaukee County) must file a minimum of **1,000** valid signatures of qualified electors from the district to qualify for ballot access. Wis. Stat. § 8.10 (3)(c).
- Candidates for circuit court in counties with a population of 500,000 or less must file a minimum of **200** valid signatures of qualified electors from the district to qualify for ballot access. Wis. Stat. § 8.10 (3)(b).

Every nomination paper was reviewed separately by two staff members, and a determination regarding sufficiency was made within 24 hours of submission. All nomination paper submissions were found to contain a sufficient number of valid signatures. By the deadline for filing nomination papers on Wednesday, January 2, 2019, 15 candidates had also filed additional nomination papers to supplement their original filings

No challenges to nomination papers were filed for this election. (*See discussion of Ozaukee County Circuit Court deadline extension above)

Irregularities on Nomination Papers Not Affecting Ballot Status

The following irregularities were detected by staff. Consistent with prior practice and decisions, staff believes these irregularities do not affect ballot access and did not strike signatures due to these issues.

1. Printed names of signers on nomination papers appear to be written by the circulator.

Staff continues to find printed names of signers that appear to be in the same handwriting as the circulator. Wis. Stat. § 8.10 (4)(b), requires the printed name to be made by the signer of the petition, unless the signer requests assistance in signing and printing their name. Although staff encounters sporadic examples of this practice on many sets of papers, the most consistent examples over time seem to involve circulators for candidates for Milwaukee County Circuit Court Judge, most of whom are judges themselves. In the past staff has encountered entire sets of nomination papers, circulated by Milwaukee Circuit Court judges, on which all signer names appeared to be printed by the circulator. This has been an ongoing and growing trend since 2015. Staff has previously conveyed this concern to Judges of Milwaukee County, which does not seem to have entirely corrected the problem.

As in past elections cycles, staff did not strike such signatures. Had staff struck the signatures for this reason, each candidate would still have sufficient signatures.

<u>Candidate</u>	<u>Office</u>	<u>No. of Pages</u>	<u>Approx. No. of Signatures</u>	<u>Circulators (*not a judge)</u>
William S. Pocan	Milwaukee Co. Circuit Court, Branch 26	1	8	Mary Kuhnmuench
Andrew A. Jones	Milwaukee Co. Circuit Court, Branch 40	2	19	William S. Pocan
Laura A. Crivello	Milwaukee Co. Circuit Court, Branch 36	2	12	William Pocan, David Swanson

David Swanson	Milwaukee Co. Circuit Court, Branch 11	6	45	Swanson/Kuhnmuensch/Pocan/Grady/*Gilbert
---------------	--	---	----	--

2. One complete page appears to have been filled out by the same individual, including signatures

Staff identified one page in the petition for Brown County Circuit Court Judge, Branch 7, candidate Timothy A. Hinkfuss that appears to have been entirely completed by the same person. Handwriting similar to the circulator’s appears on each signature line on the page, including the signatures for each line. The circulator in question did circulate two additional pages in the petition but similar anomalies are not present on those pages. The page in question is included as Attachment E.

Longstanding practice of the agency has been to not strike signatures based on similar handwriting unless a challenge is filed documenting that the named individuals did not sign the paper. This policy is based on the limitations of handwriting analysis, the fact that WEC staff members are not handwriting experts, the volume of pages manually reviewed by the staff, and the reality that it is impossible to ensure a comparison of handwriting across all pages of nomination papers.

Staff identified the signatures on this page as anomalies but did not strike these signatures. Had staff struck the signatures for this reason, the candidate would still have had sufficient signatures.

3. Irregular form of office title

Lisa K. Stark, candidate for Court of Appeals Judge, District 3, used “Court of Appeals” as the office title rather than “Court of Appeals Judge. Consistent with prior practice, staff determined that the title used constituted substantial compliance and found the papers to be sufficient.

4. Required instructional text missing from the header of most nomination paper pages

Candidates routinely modify the standard nomination paper format in order to obtain additional signer information such as phone numbers and email addresses. After circulation is complete, the additional columns are removed before submission to the WEC. In the case of the papers of Jennifer Nashold, candidate for Court of Appeals District 4, when the extra columns were removed, so was required instructional text:

“...the name of the municipality of residence must always be listed” became
“...the name of the municipality of residen...”

“I have not signed the nomination paper of any other candidate for the same off at this election,” became
“I have not signed the nomination paper of any other candidate for th...”

The text is intended to instruct and notify signers before signing. Removing the columns before circulation would be of no benefit to the candidate as the columns are intended to collect additional information from the signers. Since the columns were obviously removed after the fact, staff reasoned that the entire text was present when the papers were signed, and the missing text was of no consequence.

Statements of Economic Interests

All candidates timely filed the Statement of Economic Interests with the Wisconsin Ethics Commission.

Candidates for Whom Staff Recommends Denial of Ballot Status

No candidate is recommended for denial of ballot status.

Candidates Recommended for Approval of Ballot Status

Assuming that no challenges are filed against candidates for Ozaukee County Circuit Court Judge, staff recommends that the Commission certify ballot access for the 39 candidates listed as “approved” in Attachment B, Candidate Tracking by Office report.

Recommended Motion:

The Commission certifies ballot status for the 39 candidates listed as “approved” on the attached Candidate Tracking by Office report.

Wisconsin Elections Commission: Nomination Paper Review Guidelines

Process Overview

- Use a red pen to mark up the petition during the review process.
- Circle any piece of information on the petition page that is missing or problematic.
- Make a red check to the right of the row to indicate a signature should not be counted.
- Make a red question mark (?) to note questionable signatures that have been counted or to note omitted information on signature line where that signature is still able to be counted.
- Write the number of signatures counted on the upper, right-hand corner of each sheet.

Step 1: Review the Header

Overview: The header of each petition page must contain all the required candidate information. If any of the required information is missing, or incorrect, no signatures on that page can be counted.

Required information:

1. Name of candidate
2. Residential address of candidate
 - a. Street number and street name (P.O. box addresses are not acceptable)
 - b. Municipality for voting purposes
 - c. State
3. Type of election
4. Election date
5. Title of office sought
6. Branch, district or seat number of office sought (if applicable)
7. Name of district in which candidate seeks office

Other information:

1. Mailing address (only required if different than residential address or voting municipality)
2. Zip code (may be present but not required)

Step 2: Review the Certification of Circulator

Overview: The Certification of Circulator section is completed after the signatures on that page have been collected. Each petition page must contain all the required circulator information, the circulator's signature and a certification date that is on or

after the latest date of a signer. If any of the required information is missing or incorrect, no signatures on that page may be counted. If missing circulator information can be determined from another section of the petition page, the signatures on that page should be counted. Most often this occurs when a circulator is also the candidate or has signed that page as an eligible elector.

Residency of Circulator: The circulator does not need to reside in the district represented by the candidate, nor do they need to be a resident of Wisconsin. All circulators must be otherwise eligible to register to vote in Wisconsin (18 years of age, U.S. citizen, not serving any portion of a sentence for a felony offense). They do not need to be registered to vote in Wisconsin or any other state to circulate nomination papers.

Required information:

1. Name of circulator - Signatures on the page should be counted if the circulator printed their name on the line meant for their signature.
2. Address of circulator
 - a. Street number, street name and municipality - If missing circulator address, including municipality, can be determined from another section of the petition page, the signatures on that page should be counted.
 - b. State and zip code are not required.
3. Date (month/day/year) – All signatures must be dated within the circulation period. No signatures should be counted on a page where any portion of the date is missing.
4. Signature of circulator – Signatures on the page should be counted if the circulator signed on the line that should have the printed name.

Step 3: Review the Body of the Petition

Required information:

1. Signature of elector
 - a. Signature does not need be legible.
 - b. Electors may sign with an “X” or other mark if that is their usual signature.
 - c. Signature does not need to be cursive.
2. Printed name of elector
 - a. A printed name must be present in addition to the signature of the elector.
 - b. If a possible printed name can be determined, the signature should be counted.

- c. If a printed name cannot be determined, the signature should be struck from the petition.
3. Residential Address
- a. Street name and street number or rural route are required.
 - b. Rural address must also include box or fire number.
 - c. P.O. boxes are only allowed if they are listed in addition to the residential address information. Signatures where only a P.O. box has been provided should be counted if the municipality of residence is entirely in the district. Mark with a question mark.
 - d. Ditto marks are allowed if they follow a valid address and the signer is using those marks to indicate they also reside at that address.
 - e. If all or part of the required address information of a signer is missing but residency can be determined by information found in another section of that specific petition page, that signature should be counted. This generally occurs when the signer is also the candidate and/or the circulator and the missing information is in the header or the certification section. Indicate on the petition page where that information is located.
4. Municipality of Residence
- a. Municipality listed must be within the district represented by the candidate.
 - b. Abbreviations are allowed (e.g. “FDL” for Fond Du Lac or “Milw” for Milwaukee).
 - c. Ditto marks are allowed if they follow a valid municipality and the signer is using those marks to indicate they also reside in the municipality.
 - d. The Town/Village/City check box does not need to be checked.
 - e. If the municipality of residence was provided in the Residential Address field, the signature should be counted.
 - f. If the municipality information of a signer is missing but residency can be determined by information found in another section of that specific petition page (most likely in the header or the Certification of Circulator), that signature should be counted. Indicate on the petition page where that information is located.
5. Date of Signing
- a. A complete date includes the month/date/year.
 - b. Date must be within the circulation period.
 - c. Date must be on or before the date the page was certified by the circulator.

- d. Ditto marks are allowed if they follow a valid date and the signer is using those marks to indicate they also signed on the same date. If ditto marks are used for the date of the last signer, the signature can be counted if it follows a valid date.
- e. A missing date can be bracketed ([]) if valid and complete dates appear on the line above and the line below the signature line with the missing date.
- f. If the date of the first or last signer is incomplete, it cannot be bracketed, and that signature should not be counted.

Step 4: Count the Signatures

- 1. Sort the petition by the number of valid signatures on each page before determining the final number of valid signatures.
- 2. Place the pages with 10 counted signatures on top, followed by the pages with 9, etc.
- 3. Use a tally sheet or calculator to determine the number of valid signatures on the petition.
- 4. Determine if the number of valid signatures is sufficient for the office sought. Use the appropriate Ballot Access Checklist to determine the signature threshold for the office sought:
 - a. County Non-partisan Candidates ELIS-3
 - b. School District Candidates ELIS-5
 - c. Municipal Candidates ELIS-7
 - d. County Partisan Candidates ELIS-16
 - e. Multi-jurisdictional Judge Candidates ELIS-18

INTERIM ADMINISTRATOR MEAGAN WOLFE

January 11, 2019

The Honorable Scott Fitzgerald, Majority Leader
Wisconsin State Senate
Room 211 South
State Capitol
Madison, WI 53707

Dear Senator Fitzgerald,

Pursuant to Wisconsin State Statute Section 15.61(1)(b), the State of Wisconsin Elections Commission is resubmitting its appointment for the position of Administrator, Meagan Wolfe, to the Senate for confirmation. The Commission's original request was delivered to the Senate Clerk on March 5, 2018.

On March 2, 2018, the bipartisan Wisconsin Elections Commission voted unanimously to appoint Meagan Wolfe to serve in the position of Interim Administrator effective immediately until confirmed as Permanent Administrator by the Senate. Since then, Ms. Wolfe has done an excellent job during trying times, putting Wisconsin in a leading position nationally in election security and clerk training. Confirming her appointment will ensure stability in Wisconsin elections.

On December 3, 2018, the Commission voted unanimously to make Ms. Wolfe's confirmation our top legislative priority in the new session. We respectfully renew our request that the Senate schedule a hearing and vote to confirm Ms. Wolfe as the Administrator, as is required by Wisconsin State Statute §15.61(1)(b), at its earliest convenience.

If you have any questions regarding this request, please contact me or Ms. Wolfe at (608) 266-8175 or Meagan.Wolfe@wi.gov.

Sincerely,

Dean Knudson
Chairman, Wisconsin Elections Commission
