

ELECTION DAY VOTING

Information Provided by the Wisconsin Government Accountability Board

WHAT SHOULD I EXPECT AT THE POLLS ON ELECTION DAY?

These are the steps you should follow at the polls to ensure a smooth voting experience:

- 1) Find your polling place; visit <https://MyVote.wi.gov> to find your polling place using the address search.
- 2) Check with the greeter, if your polling place has one. Greeters will usually be able to verify if you are already registered or need to fill out a new registration. If the polling place covers multiple wards, the greeter will be able to direct voters to the correct line.
- 3) Fill out a new registration form if you are a new Wisconsin voter or if you have changed your name or address since you last voted. You will have to provide proof of residence when registering.
- 4) Poll workers will ask you to state your name and address. This is not a new requirement; it has always been a requirement.
- 5) Poll workers will ask you to sign the poll list. If you are unable to sign because of a physical disability, you are exempt from this requirement. You should inform a poll worker that you are unable to sign.
- 6) Poll workers write the Election Day voter number in the poll list, and issue the voter a ballot.

PLEASE BE UNDERSTANDING AND KIND TO THE POLL WORKERS!
