At its September 25, 2018 meeting, the Wisconsin Elections Commission directed staff to use the prior Canvass Reporting System for the 2018 General Election and to provide updated canvass training materials to all counties. This webinar will review recording, certifying and notifying the WEC of official election results using CRS.

**Webinar materials will be posted Wednesday afternoon.** The webcast will be posted by the Friday following the session on the Elections Commission website for clerks and their election officials to review at their convenience: <https://elections.wi.gov/clerks/education-training/webinars>. The training counts toward clerk training hours whether you participate in the live webinar or review the recording at a later date.

## **Live Webinar Requirements**

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer's speakers. If you are unable to access the audio over your computer speakers, you may select "Use Telephone" after joining the webinar. Using the telephone for audio is a **toll charge**. If you have questions about the technical aspects of the webinar, please contact the Help Desk at [elections@wi.gov](mailto:elections@wi.gov) or (608) 261-2028.

In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by WEC staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Tuesday. If you have any questions, please contact [PatrickT.Brennan@wi.gov](mailto:PatrickT.Brennan@wi.gov) or (608) 261-7804. Thank you.
