2018 was another busy year for elections! This webinar will review any legislative or administrative changes in laws and procedures that impacted last year's elections and provide some key takeaways and best practices. We will bring you up-to-date with the elections security training we have been conducting with our clerk-partners and forecast what may be ahead for us in 2019. A copy of the presentation will be posted tomorrow.

The webcast will be posted by the Thursday following the session on the WEC website for clerks and their election workers to review at their convenience: <http://elections.wi.gov/clerks/education-training/webinars>. The training counts toward training hours whether you participate in the live webinar or review the recording at a later date.

Live Webinar Requirements

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer's speakers. If you are unable to access the audio over your computer speakers, you may select "Use Telephone" after joining the webinar. Using the telephone for audio is a **toll charge**. If you have questions about the technical aspects of the webinar, please contact the Elections Help Desk at elections@wi.gov or (608) 261-2028.

The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by WEC staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Wednesday. If you have any questions, please contact me: allison.coakley@wi.gov or (608) 261-2033. Thank you.
