## Review all seven sections of the presentation

All the videos need to be viewed to receive 1.5 hours of credit for chief inspector training. After each section is completed, an email will be sent to you announcing you have received a new achievement badge. After all sections are reviewed, a completion badge will be awarded and emailed to you. Share this badge with your municipal clerk. When your clerk has confirmed that you have completed the Baseline training, he or she should send an email to the Elections Training mailbox requesting a copy of the Election Day manual; [elections.training@wi.gov](mailto:elections.training@wi.gov).

Begin with the **Section 1: General Information** video.  
Click the section icon to begin.

## Chief Inspector Self-Evaluation

The 30-question self-evaluation should be used to gauge your comprehension of election administration laws and procedures after finishing the training. The self-evaluation takes about 30 minutes to complete. The results of the self-evaluation do not affect your appointment or qualifications to serve. A "Self-Evaluation" badge will be issued when you have completed the self-evaluation and share this badge with your municipal clerk.
