

FAQs: New Clerk Orientation

Q: To clarify: when we completed the election security modules, we were to send an email to verify that it has been done?

A: Please send the Help Desk an email and let them know you have completed the training: elections@wi.gov.

Q: Do we have to monitor our mail/email/fax on Saturday for UOCAVA ballot requests?

A: You do not have to monitor your office for absentee requests if you do not have regular Saturday office hours.

Q: Is there a webinar and/or material for new election inspectors (not Chief Inspectors)?

A: Currently, there is not a webinar dedicated to regular election inspectors, but many of the webinars and the Election Day manual can be used to train them depending on their election duties.

Q: When will the names that go on the ballot be certified so we can work on ballots?

A: When the counties have completed their canvasses and we have certified the election. There are still canvasses outstanding.
