## Absentee Ballot Requests for April 7 Already Exceed Last Three Spring Election Absentee Numbers

MADISON, WI – Wisconsin voters are requesting absentee ballots at a record pace with concerns about Coronavirus COVID-19, according to the Wisconsin Elections Commission.

As of Tuesday morning, more than 173,000 absentee applications have been received by Wisconsin municipal clerks. That exceeds total requests for three of the last four Spring Elections. (See additional absentee ballot statistics below.)

“We are encouraged that so many voters are requesting absentee ballots already, especially through the MyVote Wisconsin website,” said Meagan Wolfe, Wisconsin’s chief elections official. She urged anyone who isn’t currently registered and wants to vote absentee for April 7 to act immediately – by Wednesday, March 18.

“We want everyone who is eligible and who wants to vote to be able to do so safely,” she said. If your name or address has changed since you registered, you need to register with your current information. You can check your registration status at [myvote.wi.gov](http://myvote.wi.gov), click on “My Voter Info.”

Wednesday, March 18 is the deadline for electors to register to vote by mail or online for the Presidential Preference Primary and Spring Election. After this date, electors must register in person in the municipal clerk's office or at the polling place.

According to state law, mailed voter registration forms must be postmarked no later than the third Wednesday before the election. Online registration closes at 11:59 p.m. the same day.

Online voter registration is available at <https://myvote.wi.gov>. There are two ways you can register using the website:

- People with a Wisconsin driver license or state ID card whose address is current with the Wisconsin Department of Transportation can complete their online registration immediately. People who need to update their address with DOT can accomplish that online and complete their online registration.
- People without a Wisconsin driver license or state ID card can fill out the voter registration form online, then print it, sign it and mail it to their municipal clerk’s office along with a copy of a proof-of residence document. The website has detailed instructions. If you do not have a printer where you are, you can save the completed form

as a PDF and make arrangements to have a family member or a friend with a printer, or a copy center, print it for you.

Voter registration forms that can be printed and filled out by hand are also available here in English: <https://elections.wi.gov/forms/el-131-fillable>

Voter registration forms that can be printed and filled out by hand are also available here in Spanish: <https://elections.wi.gov/forms/el-131-spanish>

Remember, the deadline to register online or by mail is Wednesday, March 18.

Voters who miss the deadline may also register in their municipal clerk's office until the Friday before the election, April 3 or at the polls on election day.

### **Absentee Voting Requests Pouring In**

Approximately 64,000 requests have come in since Friday, March 13, when approximately 109,000 requests had been made, with 39,000 coming in Monday. Unfortunately, detailed comparisons to similar times prior to past elections are not available.

Daily absentee ballot reports are being posted here:  
<https://elections.wi.gov/publications/statistics/absentee>.

These numbers from past Spring Elections put the 2020 requests into perspective:

<b>Spring Election</b>	<b>Absentee issued total</b>	<b>Total Ballots Cast</b>	<b>Turnout</b>	<b>Percent Absentee</b>
<b>2016</b>	249,503	2,113,544	47.38%	11.80%
<b>2017</b>	103,533	708,711	15.86%	14.61%
<b>2018</b>	130,041	997,485	22.32%	13.04%
<b>2019</b>	170,121	1224303	27.22%	13.90%
<b>2020-To Date</b>	173,773	NA	NA	NA

In comparison, there were 819,316 absentee ballots cast in the November 2016 Presidential Election. The 2016 Spring Election and Presidential Preference Primary was a particularly high turnout election, due to both major political parties having competitive nomination races. In 2020, only one major party has a contested race for President on the ballot in Wisconsin. Increased absentee ballots do not necessarily predict higher voter turnout as more voters may simply be voting prior to Election Day.

### **How to Request an Absentee Ballot**

There are several ways registered voters can request absentee ballots. If they have internet access, the easiest way is to sign up at MyVote Wisconsin, <https://myvote.wi.gov>.

Just look for the “Vote Absentee” button near the top of the page. On a mobile phone, use the menu button in the upper right corner of the website. There is a three-step process that starts with putting in your name and date of birth, followed by requesting your ballot. If you don’t already have a photo ID on file with your clerk’s office, you can upload a copy. Mobile phone users can take a picture and upload it to MyVote. Absentee ballot requests submitted this way go directly to your clerk’s office, and you can track your ballot by returning to the website.

Voters can also request absentee ballots by mailing, emailing or faxing their municipal clerk’s office. You can find your clerk’s contact information on MyVote Wisconsin. These requests must be accompanied by a copy of your photo ID. If you already have a photo ID on file from previous absentee requests under your current registration, you will not need to provide it again.

Voters who are indefinitely confined, meaning they may have difficulty getting to the polls for reason of age, illness, infirmity, or disability are not required to provide a photo ID. Voters in care facilities can have a representative of the facility confirm the resident's identity instead of providing a photo ID. More information on photo ID and exemptions can be found at [bringit.wi.gov](http://bringit.wi.gov).

The deadline for registered voters to request an absentee ballot be mailed to you is the Thursday before the election, April 2. However, the WEC urges voters not to wait, due to possible delays in mail delivery. If you get an absentee ballot mailed to you, you can still decide to vote at the polls on Election Day if you haven’t returned it.

Your absentee ballot must be received in your clerk’s office or at your polling place by 8 p.m. on Election Day. Again, the WEC urges voters to request and return ballots as soon as possible. The US Postal service advises ballots may take up to a week to reach voters and a week to be returned to your municipal clerk.

## **Next Steps**

The Wisconsin Elections Commission has scheduled a special online meeting at 4 p.m. Wednesday, March 18 to deal with any COVID-19 issues that may arise.

At this time the Commission has not considered any additional changes to the process, dates or deadlines for the April 7 election. The Commission is also working with state leaders to determine the legal mechanisms for making future changes should they be needed.

“The Commission and WEC staff recognize that this is an evolving situation and will continue to rely on the guidance of public health officials. We all stand ready to adjust as directed to ensure the safety of clerks, poll workers and voters,” said Wolfe.

###

---

The Wisconsin Elections Commission is responsible for administration and enforcement of election laws in Wisconsin. The Commission is made up of six Commissioners – four appointed directly by the State Senate Majority Leader, Speaker of the Assembly and the Minority Leaders in the State Senate and Assembly. The remaining two Commissioners are appointed by the Governor with confirmation by the State Senate from lists of former municipal and county clerks submitted by the legislative leadership in each party.
