SUBJECT: Poll Workers – Information Needed

The Wisconsin Elections Commission needs your help to accurately identify the estimated shortage of election inspectors for the April 7, 2020 election and the May 12, 2020 election for Congressional District 7. County clerks should please e-mail michelle.hawley@wisconsin.gov with your estimated shortage. Please consider all polling places in your county.

Please do not have individual municipalities respond to this request.

The WEC has also developed a news release for clerks to use for poll worker recruitment, which will be posted on the Clerk Communications page and on the COVID-19 page. We have also created a promo on the MyVote website encouraging interested citizens to email their municipal clerk with their interest in serving as a poll worker: <https://myvote.wi.gov/en-us/PollWorker>

Thank you for your hard work in support of Wisconsin elections. Please contact us if you have any questions or concerns at elections@wi.gov or (608)261-2028.
