SUBJECT: Redistricting in SVRS Resources for Clerks

We have received inquiries from clerks asking whether all clerks may attend the live SVRS Redistricting Training Webinars. Due to limited space on the live interactive broadcasts, the scheduled webinars have been limited to SVRS users. If your municipality uses SVRS, at least one SVRS User must attend a webinar or view the recording, even if your municipality had no district changes.

However, in response to the demand for information for all clerks, the G.A.B. will provide an alternative to the live SVRS webinars.

All interested clerks can view a demonstration video that we have prepared to help explain these new changes. Please click on the following link to view the video:

In addition, Clerks may also view video recording of the SVRS Redistricting Training Webinar Parts 1-3: <http://gab.wi.gov/clerks/redistricting/training>

We hope these videos are helpful tools to help clerks visualize and understand the new changes to SVRS. G.A.B. staff will continue to use videos such as this as a way to communicate information to clerks.

If you have questions on the Redistricting project, please do not hesitate to contact the Help Desk at gabhelpdesk@wi.gov, or (608) 261-2028. Thank you.
