MEMORANDUM

TO: Wisconsin County Clerks
Milwaukee County Election Commission
Wisconsin Municipal Clerks
Milwaukee City Election Commission

FROM: Michael Haas
Interim Administrator

DATE: April 7, 2016

SUBJECT: 2016 List of Agency Accomplishments

After each calendar year, staff of the Elections Commission staff compiles a summary list of significant accomplishments. The 2016 list of accomplishments was presented to the Wisconsin Elections Commission at its March meeting and is posted here for your information. The list reflects the tremendous amount of work completed by our very talented and dedicated staff during an extremely busy year which included the transition from the G.A.B. to the Elections Commission and a presidential primary, election and statewide recount.

Just as importantly, this list represents progress we have made together and is only possible because of the consistent and conscientious efforts of every county and municipal election official. Your continued attention to the important details of election administration ensures we are providing excellent service to every voter and candidate. On behalf of the Commission and its staff I thank you for your service and for your partnership in administering fair and impartial elections in the State of Wisconsin. We look forward to continuing our work together during the remainder of 2017.

The 2016 list of accomplishments is attached to this memorandum, but it is also part of the Commission's 2016 Annual Report to the Governor and Legislature. The full Annual Report can be found here: <http://elections.wi.gov/publications/biennial-reports/2016>.
