SUBJECT: Spoiling and Remaking Ballots Webinar

**Webinar for Clerks, Chief Inspectors and Poll Workers
Spoiling and Remaking Ballots**

Wednesday, February 28, 2018, 10:00 a.m. – 11:00 a.m.

A Wisconsin voter can “spoil” his or her ballot up to three times and receive a new ballot within certain deadlines before Election Day and at the polling place if they make a mistake. We will review the deadlines for spoiling a ballot and requesting a new one and the process of spoiling and issuing ballots at the polling place on Election Day. This webinar will also review why a ballot may need to be remade at the polls on Election Day and the process for doing so.

The webcast will be posted by the Thursday following the session on the WEC website for clerks and their election workers to review at their convenience: <http://elections.wi.gov/clerks/education-training/webinars>. The training counts toward training hours whether you participate in the live webinar or review the recording at a later date.

Live Webinar Requirements

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer’s speakers. If you are unable to access the audio over your computer speakers, you may select “Use Telephone” after joining the webinar. Using the telephone for audio is a **toll charge**. If you have questions about the technical aspects of the webinar, please contact the Elections Help Desk at elections@wi.gov or (608) 261-2028.

The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by WEC staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Wednesday. If you have any questions, please contact me: allison.coakley@wi.gov or (608) 261-2033. Thank you.
