The individual who requested I sign, did not tell me that the document was part of an effort to have a recall election ordered for Senator Holperin. Instead I was told [led to believe] that the purpose of the document was to support teachers and schools

4. Had I not been misled about the purpose or effect of the petition, I would not have signed it. I do not and have not supported efforts to have a recall election held for Senator Holperin's seat.

2. On March 25<sup>th</sup> at The Piggly Wiggly Parking Lot in Suamico, I spoke with a woman, Sherri Ferrell, who was soliciting passersby to sign a document in the parking lot
3. Later, I learned that the document was a petition seeking a recall election for the State Senate seat currently held by Senator Hansen. The individual who requested I sign did not tell me that the document was part of an effort to have a recall election ordered for Senator Hansen. Instead I was led to believe that the purpose of the document was to help a female candidate seeking office.
4. Had I not been misled about the purpose of effect of the petition, I would not have signed it. I do not and have not supported efforts to have a recall election held for Senator Hansen's seat.
