The Ineligible Voter Search defaults to a search by last name. Type the last name in the Search For Records field and click enter. The initial search can be narrowed by clicking on the title of the first name filed and clicking on the first letter of the first name. To start a new search click the x to the right of the search field.

What is this list?
 The Ineligible Voter List is a list of all felons who have addresses in your county and are currently under Department of Correction supervision. These individuals are on probation, parole, or extended supervision. The voting rights of these individuals have not been restored as of the date this list was issued and will not be restored until the individual completes the terms of his or her sentence. The information on this list is provided by the Department of Corrections (DOC).

2. Click **View Report**. Note: The page count in the preview does not reflect the actual number of pages in the report. To find the number of page you can export the report to an Adobe PDF file and the number of pages will display correctly in Adobe.
3. The report can be printed directly or exported to a file.

To exit the Ineligible Voter List Dashboard click on File and select Close.
