Faxing or E-mailing Absentee Ballots

All voters can request to have an absentee ballot emailed or faxed to them. If you receive a request from a voter who would like to receive their ballot by email or fax, follow these instructions when sending the voter their ballot.

**REQUEST**

- **Review the written request for an absentee ballot from a qualified elector.** The absentee application request may be on the form prescribed by the Wisconsin Elections Commission (*Application for Absentee Ballot EL-121*) or may be in the form of a letter, email or fax that contains the information needed for an absentee ballot request. Remember, the request needs to be in writing, but email and fax requests do not need to include the voter’s signature. Voters can also submit their request through the My Vote Wisconsin website: [myvote.wi.gov](http://myvote.wi.gov). You will receive an email notification when the voter makes their request through MyVote.

- **All voters may receive their absentee ballot by mail, email or fax.** However, Military, Permanent Overseas, indefinitely confined, and confidential voters do not need to provide a photo ID with their request. Regular and temporarily overseas voters must provide a photo ID with their absentee ballot request.

- The voter should be instructed to vote the ballot in the presence of a witness, fold the ballot and seal it inside a regular, non-window envelope, complete and sign the absentee certificate. An adult U.S. citizen witness must sign and provide his or her address on the certificate. Military or permanent overseas voters should provide their birthdate. The certificate should be affixed (with glue or tape) to the envelope containing the voted ballot. If you do not have access to a scanner, work with your county or the WEC to determine an alternate way of initializing the ballot before sending it via email.
